

Booster Meeting — September 5, 2023

Attendees: John VanPatten, Chad Clark, Natasha Adams, Melanie Werner, Kelly VanPatten, Michael Love, Melany Love, Kathy Burch, Michael Craun

Opening & Greeting:

6:49PM by Chad

Presentation of August meeting minutes:

- Chad motioned to approve
- Michael seconded

Treasurer's Report:

- John printed out details of the last four months' transactions for us to review
- Chad motioned we approve all four reports
- Kathy seconded

OLD BUSINESS

- Assignment Progress — pit, meals, volunteer sign-ups underway
- First football game was successful
- Meals — first meal has all volunteers and ingredients signed up; the Deneves, Thomases, and Crafts have taken care of the second meal ingredients
- Props — Done!
- Old trailer — brakes, hitch, and electrical updated;
- New trailer — check with ReMax and with Smith Tire for their sponsorship logos
- SpiritWear fundraiser went well, got about \$400

NEW BUSINESS

- First show September 9 in Goshen
- Next meeting will be the first Tuesday of October (October 3)
- Cookbook Fundraisers — can sell advertising inside; \$5 cost, \$10 to sell; must buy a certain amount and sell from that; these would be great as Christmas gifts; 7-10 days turnaround if we lay out ourselves; 30 days if we typeset most of it; John will set up Google form for recipes and photos. We voted to move forward on this. Melany L will chair the committee to set pricing, advertising, etc.

- Calendars Fundraisers — similar idea, sell advertising inside and parents can donate more to buy a month with their kid's pic; we're keeping this idea in mind for beginning of year
- Kids are doing their usual New Century fundraising starting next week
- We agree we should do at least one 50/50 raffle (for game on September 29). Need parent commitment to sell the tickets, need pre-approval from athletic department. Currently we are looking to do homecoming game.
- Krispy Kreme fundraiser during Garage Sale Weekend/Whitley Days; Natasha can research the details; our cost for regular glazed \$8.50/doz; filled donuts \$10/doz; suggested retail is double that cost
- Trailer — we're putting off shelving in the new trailer until end of season; but we definitely need to protect the floor; 5gal bucket of WhiteSeal (waterproof marine sealant/protection) \$75; Chad motions that we authorize buying the sealant; motion was unanimously approved; we will apply to new and old trailer as soon as feasible
- Meals for Goshen: cold meat sandwiches for lunch and for after performance
- Senior gifts: put together something with mylar/foil we have? Let's trade ideas via email so we're prepared for that night

Adjournment at 7:43PM

Melanie motioned to adjourn

Natasha seconded

Next Meeting Tuesday, October 3 at 6:30PM

Action Items:

- Natasha will order 5 gallons of the marine sealant
- Melanie W will follow up with ReMax and Smith Tire to see about getting their sponsorship logos for the trailer
- Melany L will head up the recipe book project
