# Smart City Wireless Services • Indiana Convention Center & Lucas Oil Stadium

## WiFi Quick Access Guide

Wireless services are a self-service option you may purchase at any time.

🔊 Open your browser *(e.g. Chrome, Internet Explorer, Firefox, Safari)*. You should see a page resembling the image shown above. *

🔊 Enter your user name (or email address) and password in the corresponding fields. *Note: User Name and Password are **Case Sensitive**.*

➢ If this is your initial purchase, select your desired option from the drop-down list, then click **BUY NOW**. Follow any additional prompts to complete your purchase.

➢ If you have already created an account and are returning for an additional session, click **LOGIN**.

* If you do not see the above screen when you open your browser, please refresh the browser (F5). If you still do not see this page, manually enter a public site's URL in the browser's address bar (e.g. www.cnn.com, www.espn.com, www.amazon.com) and attempt to navigate to it (hit ENTER) – *this should force the screen to appear.*

## Available Wireless Options

Depending on where you are in the facility, you will see one or more of the following SSIDs (network names). Choose the option which bests suits your location and requirements. All wireless services have private IP addresses.

🔊 **Exhibitor Internet** – Available throughout the Convention Center & Stadium (up to **1.54 Mbps** up/down). Price is per device at **$79.99** for 24 hours, **$159.99** for 3 days, or **$239.99** for 5 days.

🔊 **Instant Internet** – Available throughout the Convention Center & Stadium (up to **768 Kbps** up/down), with the <u>exception</u> of the Exhibit Halls. Price is **$12.95** per 24 hours per device.

🔊 **Free Internet** – Available only in each food court within the Convention Center (up to **256 Kbps** up/down). Complimentary WiFi per calendar day per computer.
