### **Notes for Students**

- There is no dress requirement. They will be providing you with a Grace College t-shirt that you'll change into when we get to the school, they ask us to wear these shirts during the game. You also get to keep the shirt!
- We are there to cheer on Grace so support their team just as we do Whitko.
- Pizza will be provided, as well as water, so there is no need to take any food or money.
- Because we are playing a double-header game we get paid extra, \$650 for our program! This money will be going into our general fund.

### **Notes for Parents**

- As you know, basketball games do not run by a set schedule. If you want real time updates please sign up for our Remind service. I will send out a mass text message when we leave Grace so you know exactly what time to pick your student up at Whitko.
  - Text the code @34f8k8 to 81010 to sign up. Be sure to include the @ sign.
- Also, be sure to follow our [social media platforms](#) for pictures and live video!
- Grace College is not far away from Whitko, and many of you live very close. We encourage you to purchase a ticket and come out to see the kids cheer on a college team!
  - Address for the arena: 610 Wooster Road, Winona Lake, IN 46590

### **Junior High Students**

You are more than welcome and encouraged to join us, but because this is a high school trip your parents will need to give permission for you to attend. Please sign and return below by **Friday January 18th**. I cannot allow you to travel with the high school without returning a signed permission slip.
