Notes for Students

- Because there is a ton of time between our performance and awards, and because we are so close to Homestead, we will have two departure options. If you wish to leave early and do not want to stay for awards, you will take the bus back to Whitko and help unload the trailer. If you would like to stay for awards with the Seniors you may do so, but I will need a note from your parent ahead of time. ***No decisions on the spot will be allowed. I will need to plan ahead on who I need to be responsible for at Homestead.*** If I don't have a note from your parent saying you are going to stay, you will be coming back to Whitko.
