2:15	Full Ensemble Outside (drill to music part 3)
3:45	Run Thrus/Announcements/Dismissal

*All times with an asterisk are approximate. These are best guesses based on information provided to the director.

Notes for students

- Dress: You need to wear your red Whitko band shirt, long dark blue jeans, black socks, and your black marching shoes.
- Please do not rehearse in the clothes you will be performing in.
- We will discuss what we will be performing at rehearsal on Monday or Tuesday.
- During our performance we will also have each student introduce themselves. Say your name, your grade, and what instrument(s) you play (both in and out of marching band).
- We will be taking all pit percussion with us (not including the chimes). Everyone is asked to help all members of the pit in case a wheel gets stuck in a crack or something needs to be lifted.
- **Remember** - This performance is in the middle of the day. We will rehearse before we perform, return to school, and finish rehearsal. There is no need to find a ride anywhere, and parents can drop students off and pick students up at the normal time.

Please email if you have any questions. Thank you.

Mr. VanPatten
