Notes for students

- Dress: Summer Uniform (show shirt on top, your choice on bottom).
- Please be sure to eat a good breakfast, drink plenty of water, and get plenty of sleep before the parade.
- Plan to arrive by 7:00 so you can check your instrument/equipment and get everything loaded onto the bus.
- Plan to have your cell phones with you, but leave them in your cases on the bus so you can call/text for rides on the way home.
- Bring a snack for yourself at the end of the parade, or when you return to school.
- This is a required performance event for all students, and will be counted as a grade. If you are going to be absent (excused or otherwise) plan on doing makeup work.

Notes for parents/spectators

- Please see the attached information from the festival organizers regarding route information and parking.
- If students are not going to be returning to Whitko with the band, I will need to see them with the adult they are leaving with or they will have to return to school with us (per school rules).
- Remember that you can sign up for the Remind messaging service and get a real time ETA when we will return to school. Text the code @wmp2019 to 810-10 to sign up.
